We Are Water Protectors

Illustrator: Michaela Goade

Author: Carole Lindstrom

Inspired by the many Indigenous-led movements across North America, Carole Lindstrom's bold and lyrical picture book *We Are Water Protectors* issues an urgent rallying cry to safeguard the Earth's water from harm and corruption.

Water is the first medicine.
It affects and connects us all...

When a black snake threatens to destroy the Earth
And poison her people's water, one young water protector
Takes a stand to defend Earth's most sacred resource.
